

## JPA & Self-Insurance Group Management

For over 30 years, Bickmore has been recognized as an industry leader in the administrative management of public sector joint powers authorities (JPAs) and private self-insurance groups (SIGs). Bickmore manages primary risk pools covering workers' compensation, property, liability, auto, dental and vision exposures for public entities. Our services also include administration of excess pools that provide workers' compensation coverage for private self-insurance groups. We currently provide administrative services and risk management consulting to 14 JPA and SIG clients.

Bickmore applies the highest standards to what is best for our clients. We deliver comprehensive, tailored services that translate to value – a fact supported by client retention rates close to 100%.

### What We Do

- Program management and administrative support
- Accounting and financial services
- Risk control, including loss analysis and safety training
- Litigation management
- Workers' compensation oversight
- Employment practices liability consulting
- Structured return to work
- Information services

### How You Benefit

- Bickmore combines industry knowledge and experience with its proprietary technological tools, and methodologies to address all areas of risk.
- By applying proven, streamlined approaches that increase operational efficiency while effectively managing risk, Bickmore helps clients stabilize costs and achieve targeted growth.
- Engaging Bickmore as an independent contractor helps eliminate employment issues and overhead expenses while gaining access to **all** our risk management professionals – leveraging resources to accomplish strategic objectives.
- By managing multiple groups with varied interests and by continually educating our staff, Bickmore is able to bring best practices to each client, tailoring solutions to unique needs.

### Our People

Bickmore is staffed with more than 75 risk management consultants, including experienced pool managers, certified public accountants, attorneys, credentialed actuaries, certified safety professionals, and others with additional industry-related designations. In addition to their dedicated service to our clients, Bickmore staff is significantly involved in the risk management community. Through their affiliations with local, statewide, and national associations and organizations, Bickmore professionals provide leadership and education to support and promote risk management.

### Our Clients

- Public entity self-insured groups and risk pools, including municipalities, schools, and special districts
- Private self-insurance groups comprised of contractors and private schools

Bickmore is an independent consulting firm not affiliated with any insurance company or broker.
